

Brussels, 14 January 2026

Certificate of Participation

In recognition of their active engagement and contributions, Scientix® hereby certifies that

Cristina Blaya Góngora from Spain

has contributed to Scientix® initiatives advancing STEM education across Europe and beyond, including but not limited to the following activities:

- Supporting the dissemination of Scientix and its services through communication, outreach, and engagement activities, and reporting this contribution via the Scientix reporting tool.
- Supporting other educators in improving STEM teaching by exchanging knowledge and good practices at local, national, or international level, and reporting this contribution via the Scientix reporting tool.

Agueda Gras

Dr Agueda Gras-Velazquez

Scientix Project Coordinator and Head of the Science Education Department European Schoolnet
