

CISV International

Building global friendship

This certificate acknowledges that

Cristina Blaya Góngora

successfully completed

CISV Medical Staff Training

A 1-2 hour online self-paced course introducing essential practices to support the health and medical needs of participants in CISV's International educational programmes and events. The training covers interpretation of health forms, medication and documentation practices, and response to common health situations, while emphasizing safeguarding, communication, and adherence to CISV policy and procedures.

Date Issued: **junio 15, 2026**

Verification Code: **lvIFFRUwp7**

Valid for a maximum of one year from date of issue.
